## FAIR

FULL LINE OF HARNESS, COLLARS, BLANKETS, AND EVERYTHING FOR THE BIG HORSE.

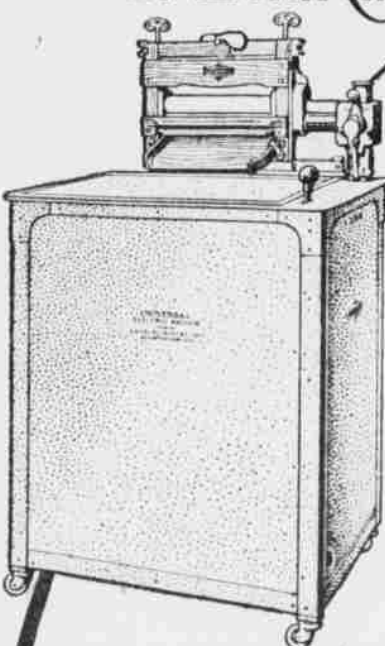

We now have on hand, at our farm about 50 Tuberculin tested cows, a number of grade Jersey and Guernsey fresh and close springers.

We pay the highest cash prices for fat hogs, calves, sheep, lambs, and wool, delivered at our farm or the stock yards.

**Gilman Brothers**

## UNIVERSAL ELECTRIC WASHER

The way to keep  
a Laundress—

is to keep the "Universal" Electric Washer in your laundry.

"No Washing!" is the battle cry of the modern maid who is requested to scrub clothes on the washboard and parboil her hands in hot, sudsy water. The easier the washing, the easier to keep the laundress.

THE "Universal" Washer calms the rebellious spirit of the temperamental laundress. She likes to work it just for the fun of it. She works the washer without working herself to excess. She rests while it washes, saves time while it wrings.

THE "Universal" does the cleanest washing the quickest, safest way. In has every improvement that can be devised to give it enduring value. Let us prove its greater worth by its better work.

Twin State Gas Co.

St. Johnsbury, Vt.
